Two announcements!

As another academic year comes to a close, a lot of us are thinking about the future -- who will be the next President? the next Dean of FAS? In recent meetings, our members have expressed a desire for a more inclusive selection process. Read our Open Letter on this subject:

Save the date for a member-organized event! On Thursday, July 13, 5:45-7:45 pm HUCTW Writes! an informal evening of open mic sessions and featured readers will debut in the Graduate School of Design Portico Rooms. HUCTW Writes! is open to the entire Harvard community, and friends and family. Check out the Event Flier for more details:
