Hello HUCTW Members,

Contract negotiations with the University will be taking place this fall as we work on the new agreement that will take effect after our current contract expires on June 30, 2007.

The Union's contract negotiating team was constituted in recent elections. Those results are listed below. For more details on the elections, please see the HUCTW web site at:

Please keep an eye out for an e-mail later this week announcing the Membership Survey. This survey will be open to all HUCTW members and is a great opportunity to think about the importance of a range of issues and to give feedback and share stories.

Congratulations to the following members on their election to the
Negotiating Team:

Central Region	Steve Sweeney
FAS Arts Region	Lynn Wang DeLacey
FAS Sciences Region	Wanthani Briggs
