Subject: 2007 Negotiation Survey

Dear HUCTW member!

We would like to invite you to participate in our **2007 Negotiation Survey**. This survey is designed to collect vital data for our upcoming contract negotiations, as well as provide every member with an opportunity to voice your opinions and concerns about various issues that will come up in negotiations. Your participation is extremely important to us, and in advance we thank you for your time. The survey should take between 10 and 20 minutes to complete, and your responses will be kept confidential, unless you specify otherwise.

Also, please note that we are currently working on a Spanish version of the survey, which should be available by the end of next week.* Additionally, a paper version of the survey is available by contacting the union office at info@huctw.org or 617-661-8289.

Please follow the link below to the survey:
