Subject: Negotiation Survey reminder

Hello Union members,

This message is directed to those of you with dependents who are or will soon be applying for college and financial aid.

To date, the University does not offer financial support for members paying college tuition for dependent children. While we hope this will change in the future, we want to find ways to support this process in the present. ConnectEdu is an outside service provider with whom we have contracted to help staff and their children through the college search, application, and financial aid process. You can get more information about ConnectEdu at the page on our web site: http://www.huctw.org/connectedu/connectedu_top.htm

In September and October, we hosted three on campus workshops by ConnectEdu. Whether or not you attended one of these, you are invited to attend the next workshop:

Please RSVP to worklife@harvard.edu if you plan to attend.

Financial Aid system overview
Thursday, December 7
12:00 - 1:00 pm
CGIS North 262
1737 Cambridge St, Cambridge

Please RSVP to worklife@harvard.edu if you plan to attend.

You don't need to attend a workshop to use the ConnectEdu service.
Please see the page on our web site for more information:
