Subject: HUCTW is moving!

Our HUCTW Office home of many years (1306 Mass Ave) is scheduled for renovation, so the union office is relocating. On Wednesday, January 17, we'll be busy moving boxes and furniture. Then on Thursday, January 18, we will re-open in a new location at 14 Story St, 5th floor, where we will be for a few months while we search for a more permanent office space.

Our phone and fax numbers will remain the same, and we hope those lines will stay open without interruption during the move. Email addresses for HUCTW organizers and officers will also stay the same, and should keep working throughout the transition. We have a forwarding order in place, so anything you have mailed to our old address will come to our new address.

If you are trying to contact us, please try the regular phone numbers and email addresses first:

HUCTW Phone: 617-661-8289
HUCTW Fax: 617-661-9617

If you encounter difficulty reaching us by phone or email during the period of January 17-19, please use the following temporary contact information:

Temporary special email address: huctwtemporary@gmail.com
Temporary special phone: 617-417-1708

Thanks!
