Subject: HUCTW Agreement and Personnel Manual now on-line

To all HUCTW members,

PDF versions of the new HUCTW Agreement and Personnel Manual are now available on HARVie. There are quick links to both, as well as the summary of what's new in this agreement, at the top of the HUCTW web site at:

www.huctw.org

Paper copies of the two booklets are being printed and will be distributed across campus as soon as they arrive, probably in a couple of weeks.
