Boston Globe Op-Ed

An op-ed piece co-written by Kris Rondeau (HUCTW founder, union organizer, and director of the New Organizing Project) appeared in the August 30 (just in time for Labor Day) Boston Globe. The article features HUCTW as a union whose philosophy of connection with all members and work environment participation has helped Harvard keep pace with ever-changing circumstances. You can read the text of the article on the HUCTW web site at:
