Subject: 2008-2009 Academic Enrichment Application

Dear HUCTW member:

The Academic Enrichment Fellowship was first negotiated in 2004 to provide support for academically-related extracurricular activities for the children of HUCTW members. In 2007, the Academic Enrichment fellowship was expanded to cover more types of expenses as well a larger age range (now children ages 5-18).

The 2008-2009 Academic Enrichment Fellowship application is now available. The application will be for expenses accrued from September 1, 2008 thru August 31, 2009. The Academic Enrichment Fellowship covers academic related expenses including: academic tutoring, academic programs or camps, SAT prep courses, college exam fees and college application fees. Unfortunately at this time the fund does not cover sports, theater, art or music programs.

Here is the link to the application and additional information:

Thanks,
Laura and Ann
