To All HUCTW Members:

**New HUCTW Communication**

Please read a [new Open Letter](#) from our Union about the effects of Harvard budget-cutting in the last year and our hopes for the near future.

This letter is the first in a series of HUCTW publications analyzing recent developments in the Harvard workplace and looking ahead to future priorities and possibilities as we prepare for negotiations on a new Agreement.

Also, please watch your email next week, for the opening of a Negotiation Survey allowing HUCTW members to express concerns, hopes, and ideas for the negotiations.
