Subject: Detailed Summary of the Tentative Agreement

---

Dear HUCTW Member,

As announced in a message last week, HUCTW and the University have concluded negotiations and reached a Tentative Agreement on a new two-year contract. Now available for your review is a Detailed Summary of the Tentative Agreement, including all negotiated changes and new language. Follow this link to see the **Detailed Summary**:

Also posted on the HUCTW website is a Salary Increase Calculator that allows each member to figure out the impact of negotiated wage increases. You will need to fill in your current annual pay, salary grade, and hours per week. If you have questions on these, please feel free to contact the union office. To use the **Salary Increase Calculator**, follow this link:

The HUCTW Negotiating Team and the HUCTW Executive Board have recommended that you **vote "Yes"** on ratification of the two-year Agreement. A ratification vote is scheduled for **Thursday, July 22** at polling places and times across the campus and throughout the day. You will receive a Notice of Election with voting details under separate cover in the University Mail. You can also view the **Notice of Election** by following this link:

By now you have probably been invited to a **Lunchtime Union Meeting** in your area for questions and discussion about the Tentative Agreement. With questions or for details of a meeting near you, please write to [huctw.info@huctw.org](mailto:huctw.info@huctw.org) or call 617-661-8289.
